

Curriculum Vitae

Elpida Kalyveza

Date of Birth: 28/11/1972

Place of Residency: Αθήνα

Contact No: +30 6945238359

Email: ekalyveza@gmail.com

Education

Kidney Ultrasound Specialist (2016)
Nephrology Specialty (2012)
School of Medicine University of Athens (2002).
Compulsory Education

Additional Skills

English, Fluent

Proficient in Office Suite

Professional Experience

- May 2022 - present Dialysis Unit "POLYXENIA RENAL», Nephrology Specialist
- Jun 2012 - May 2022 Dialysis Unit «MESOGEIOS" P. Faliro,
Nephrology Specialist
- Apr 2008 - Jun 2012 417 ΝΙΜΤΣ Nephrology Clinic, Resident in Nephrology
- Jul 2005 - Apr 2007 401 ΓΣΝΑ, Α' Pathology Clinic, Resident in Internal Medicine
- Jan 2003 - July 2005 «Aristoteleion Clinic», Medical Doctor
- Aug 2002 - Aug 2003 Medical Center Areopolis Laconias, Medical Doctor
- May 2002 - Aug 2002 Sparti General Hospital, Medical Doctor

Publications:

Thrombolysis with alteplase; a non-invasive treatment for occluded AV fistulas and grafts.

Tseke P, Kalyveza E, Poltis Em, Giapraka N, Andriopoulos Chr, Balitsari A, Papatzikos L, Stavgianoudakis G. Artif Organs. 2011;35(1):58-62

International Conferences Announcements:

Alteplase in the treatment of AV vascular access thrombosis.

Tseke P, Kalyveza E, Papatzikos L, Giapraka N, Stamataki E, Andriopoulos Chr, Stavgianoudakis G. World Congress of Nephrology, May 2009, Milan, Italy
Summary Published at Nephrol Dial Transplant Plus 2009: 2(suppl.2)ii1285;doi:10.1093/ndtplus/2.s2.14

Idiopathic thrombocytopenic purpura presenting in a patient with undiagnosed Klinefelters Syndrome.

I Kyrou, E. Poulakidas, E. Kalyveza, E. Papakonstantinou, E. Michalakeas, C. Poziopoulos
12th Congress of the EHA June 2007

GREEK CONFERENCES ANNOUNCEMENTS

Percutaneous angioplasty with intraluminal stent placement.

A minimally invasive method of correcting vascular access stenosis of hemodialysis.

Stamataki E, Andriopolos C, Kalyveza E, Tseke P, Griveas J, Zorbas S, Balitsari A, Mitropoulou M, Lazaridis K, Stavgiannoudakis G.

76th Scientific Meeting Greek Nephrology Society, November 2008, Thessaloniki.

Alteplase in the thrombolysis of vascular access hemodialysis

Three years of experience.

Tseke P, Kalyveza E, Papatzikos L, Giapraka N,
Stamataki E, Andriopoulos C, Griveas J, Balitsari A, Stavgiannoudakis G.
76th Scientific Meeting Greek Nephrology Society, November 2008, Thessaloniki.

CMV Encephalitis in a patient with renal vasculitis.

Atypical imaging findings and clinical course.

Kouzi I, Kalyveza E, Sotiriou K, Sfrintzeri A, Zarouli C, Terendiou A, Stavgiannoudakis G, Papanastasiou J.

23^d Hellenic Neurologists Conference May 2009

Changes in the functionality of the peritoneal membrane with application of the PD.

Kalyveza E, Tseke P, Andriopoulos C, Balitsari A, Politis E, Zorbas S, Stavgiannoudakis G. Educational seminar peritoneal dialysis, Oct 2009, Ioannina.

Successful late renal reperfusion in refractory nephrovasculature stenotic arteriopathies.

Balitsari A., Kotzadimitriou A., Tseke P., Politis E., Andriopoulos C., Kalyveza E., Stavgiannoudakis G., Lazaridis K., Aggelakas J.

12Th Hellenic Vascular - Vascular Surgery Conference, Jan 2010, Athens.

Percutaneous renal biopsy using CT. Single Renal Unit experience.

Kalyveza E., Tseke P., Andriopoulos C., Griveas J., Politis E., Balitsari A., Zorbas S, Nakopoulou L., Stavgiannoudakis G.

16th Hellenic Nephrology Conference, Jun 2010, Kos.

Newer ultrasound criteria in the diagnosis of acute testicular torsion.

Sirgiannis K., Balanika A., Spyrou N., Baltas C., Birbanagos C., Mitromaras G., Kalyveza E., Vergadis C., Kontopoulou C., Kiale K., Alexopoulou E.

3^d Laconia Multidisciplinary Medical Conference, Jun 2005

CLINICAL STUDIES PARTICIPATION

Phase III study, randomized, blinded evaluation actively controlled, polycentric, on the potency and safety of APO-EPO compared to Procrit when administered subcutaneously to patients with stage 5D anemia of chronic kidney disease, not receiving erythropoietin replacement therapy (2014-2017)
